Each month, a variety of businesses in the greater Washington and greater Baltimore areas turn to the pages of *SmartCEO* for features, case-study advice and trend analysis, all with a uniquely local flavor. *SmartCEO* is read by more than 34,000 business owners in Baltimore and Washington.

“The Reger Group has overcome formidable challenges and obstacles on the path to success, and we are excited to once again have the opportunity to celebrate the achievements of all our Future 50 winners,” adds Tony Cord, Managing Director, Strategic Development at BDO Seidman LLP, title sponsor for the 2009 Future 50 Program. “Today's fast growing Future 50 companies represent tomorrow's leaders that will provide the foundation for the Greater Washington business community for years to come.”
