News Release

For Second Straight Year, Stafford Business is Recognized as One of the Region's Fastest Growing Companies

The Reger Group Wins 2010 SmartCEO/Future 50 Award

Stafford, VA – January 22, 2010 - The Reger Group, located in North Stafford, has for the second consecutive year been recognized as one of the fastest growing companies in the Washington, DC region by *Washington SmartCEO* magazine. The local company won the publication's 'Future 50' award based on employee and revenue growth over a three-year period. Tom Reger, President and CEO of The Reger Group, will be recognized along with his staff for their accomplishment at an event on January 28th in Crystal City, VA. The 'Future 50' program recognizes the 50 fastest growing companies in the Greater Washington area, with this year's recipients collectively employing 29,000 people and generating over \$9 billion in revenue.

"Our nation is in trying, economic times, and to grow a business in this climate is challenging, to say the least. The success of The Reger Group is a testament to the hard work and dedication of our employees who take inspiration from the men and women in uniform that we serve," said Reger. "I am proud of the work we have done to help our Nation's efforts in fighting terrorism throughout the world," added Reger, whose company works with government agencies to help them face emerging homeland defense and security requirements resulting from America's military efforts overseas. "We are blessed by the Lord," emphasized Reger.

The Reger Group employs over 130 dedicated industry professionals representing all branches of the military as well as government and commercial services including expertise in management, business process engineering, operational support, OIF/OEF Operations and Joint and Army experimentation.

"Growing companies like The Reger Group are key to the economic well being of Stafford County, and bring good professional jobs to our community," said Tim Baroody, Director of Stafford's Department of Economic Development. "Stafford continues to be one of the Commonwealth's leaders in the creation of new professional employment opportunities, which make the county a premier place to live and raise a family."

"Each Future 50 winner has effectively translated their passion and innovation into tremendous growth and success," said Jaime Park, Group Associate Publisher at *SmartCEO* Magazine. "We are honored to recognize the 50 fastest growing companies in Greater Washington. Because of Tom Reger's efforts, The Reger Group is poised for tremendous growth and success well into the future."

Washington SmartCEO magazine is a regional "growing company" publication. Each month, a variety of businesses in the greater Washington and greater Baltimore areas turn to the pages of *SmartCEO* for features, case-study advice and trend analysis, all with a uniquely local flavor. *More than 34,000 business owners in Baltimore and Washington read SmartCEO.*
